Savings is in our DNA

The Fisher Scientific™ brand is dedicated to providing comprehensive furniture solutions, on time & complete. We offer beautifully finished surfaces on a rugged, heavy duty, full frame cabinet construction. Our steel laboratory furniture systems are a logical choice when trouble free, low maintenance operation is desired. Our environment friendly, electrostatically applied, powder coat paint finish has a laboratory grade formulation that meets all SEFA-8 chemical resistance & durability standards. We also offer a complete line of table systems as well as made to order wood, stainless steel and phenolic lab furnishings.

The Fisher Scientific team offers:

- A quick delivery furniture program with complete labs shipping within 7 business days*
- An extensive inventory of high quality furnishings, chemical fume hoods & components
- Clear and easy project communication

Services include:

- Design, project management and factory trained installation

* Inventory of items is subject to availability at the time of order. Large quantity orders may require longer lead times.
