

**MassBio**  
MASSACHUSETTS BIOTECHNOLOGY COUNCIL

**SEF Presents:  
Security & Protection –  
The Premises, The Technology, The  
People**

**Wednesday January 11, 2017**

## SEF Working Group

### **Mission:**

Provide a Forum to share & promote best practices, and to disseminate timely information. Discussions will address various combinations of workplace safety, compliance, facility operations and management.

### **Co-chairs:**

**Dick Aichelmann**, Associate Director EHS, Ironwood Pharmaceuticals

**Denise Aronson**, President & Founder, Safety Partners

**Betsy Parsons**, Associate Director EHS, Biogen

**Masha Ushomirsky**, Lab Operations/EHS Manager, Merrimack Pharmaceuticals

**Elias Witman**, Sustainability Coordinator, Cell Signaling Technology
